

**I do not understand.**

**I understand.**

**I want a break.**  
**Wait for me to come back.**

**I want a break.**

**I need time to think.**

**I don't want to answer.**

**I want to answer  
in a different way.**

**Can someone  
answer for me?**

**I want to talk  
about this later.**

**I'd like to leave.**

**I need to move around.**
